## Ministry Visions 2014-2015

# Men's Group

Jeffrey Lam

God loves you.

What does that mean? What does that mean to you? How is your life different knowing that?

We are His beloved.

How can we hold on to this as our identity?

How can we, though we truly believe and have experienced it, sometimes forget and lose sight of His love?

Our God does not change.

What can we do?

Where is He calling us to go? Who is He calling us to be? How are we responding?

What do we do about our shortcomings?

Men's ministry is a space where the men of CCF can come together, be open and be real about the journey that God is taking us through. As followers of Christ, we seek to know Him better and be more like Him. It's not easy, but we are not alone. We strive to encourage one another and be encouraged by the Gospel and live it out.

But what does this look like in a community? How do we do this together, as men? as CCF? What does this look like?

Come out as we explore this together! :D
