

Vision

- To create a welcoming environment where we can support and encourage each other in Christ
- Continuously strive to point each other to Christ when encouraging each other: eg. pray for one another, encourage each other with bible verses
- Foster an inclusive environment and emphasize relationship building within our IG and CCF as a whole
 - Reach out to first yrs more, invite each other to study together (most likely virtually), devote some time before or after the bible study session every week to check in on each other (ask about each other's weeks, have some casual convos)
- Devote some time (maybe 10 mins) to talk about prayer requests at the end of each IG session

Expectations

- Arrive on time for IG on Friday's and let us know if you will be unable to attend a session ahead of time
- Try to make it to most or every IG sesh
 - This ensures that our IG will be a close community and that we'll be able to support one another
- If comfortable, try to participate in bible study discussions
- If IG bible studies are virtual, try to turn on camera if comfortable
- Maintain appropriate behaviour, be respectful towards everyone in IG as well as CCF
 - Creates a comfortable space where everyone feels safe to participate, share thoughts, and look for support when needed
