

Men's Ministry 2018-2019

We live in a broken world. Everyday, we hear about political unrest, heart wrenching violence and so much more. In conjunction, we live in an increasingly pluralistic society which continues to offer more conflicting and corrupt perspectives. As I look at all this, I feel lost and confused. How should I feel towards all this? What should my response be? What is my role in all of this as a Christian?

I lift up my eyes to the hills. From where does my help come? My help comes from the Lord who made heaven and earth ~ Psalm 121:1-2

As the two of us reflect upon this, our only answer is to turn and seek God because He is our refuge, our strength and our wisdom. Where better to turn for our source than the Maker of Heaven and Earth himself? Therefore, it is our hope for the upcoming year to take a step back and examine what it means to be a man whose foundation is in the Lord. We invite everyone to dig through the depths and ask ourselves "what does it mean to be a man who walks with God?" We hope to do this by learning from the examples of men in the Bible, sharing each other's burdens in life and delving into important aspects of Christian lifestyle while challenging and expanding our comfort zones.

We do not promise that you will find an answer to all your doubts and questions. But, we believe that as we aspire to walk more intimately with God, we will progressively establish a firm foundation to begin tackling these issues. So gentlemen, come! Let us journey together and submit our all to our Father.

In Christ,
Gregory Wong & Brandon Hsu
