Vision Statement

“And the Lord will guide you continually and satisfy your desire in scorched places and make your bones strong; and you shall be like a watered garden, like a spring of water, whose waters do not fail.” – Isaiah 58:11

God is all around us, and watches over us. God is almighty and all powerful. God works through each one of us. It is His guidance that has helped us overcome struggles, and from His generosity, CCF is built the way it is today.

I want to see CCF continue to grow as a fellowship and as a community. To be led by members who seek growth in their faith, and have the desire to build their relationships among each other. I see CCF as a spring of water, whose water does not fail, no matter the hardships. I see the leaders of CCF helping make the bones of CCF strong. The committee leaders being a crucial part of this unified Christian body, and the secretary treasurer, an important role. As we grow together, I hope we continue to seek God and support one another. CCF will be led by the Lord's guidance, and will be satisfied.

“Therefore encourage one another and build one another up, just as you are doing.” – 1 Thessalonians 5:11

I have seen incredible events, touching testimonies, engaging discussions about scripture, changing personalities, and new desires to learn. All these things that we are doing, I find wonderful, and I hope that this will continue for years to come. I believe that it is important to maintain what has worked in the past and build upon that.

Learning from the past, I would like to see more openness among the members. More opportunities to get to know each other and not cluster into enclosed groups. CCF should strive to be welcoming to all during every large group and every ministry.

There is something to be learned from Paul's ministry with the Gentiles, salvation is not just for the people closest to you, but for everyone around you. Everyone has received His gift, and it is important to share that. Help each other accept His gift.

Values

These, I believe are valuable to the growth of CCF as a community.

- Support One Another
 - Through Prayer: Bring each other's struggles to God
 - Sharing Burdens: Comfort one another throughout hardships
 - Keeping others in mind: Being accountable to brothers and sisters
- Scripture
 - Growing with his Word: Speaking with God through the Bible
 - Allowing his Word to speak through us: Sharing the good news with others
- Showing Love
 - To everybody in our community fellowship
 - Acknowledging the concerns of the fellowships around us
 - Loving people outside of our Christian fellowship

Implementation

Being Secretary Treasurer would enable me to achieve the values important to me, by providing me with resources. I would be able to support those around me through prayers and sharing while co-leading a small group. I would be able to provide the scripture every week for everyone to study and provide members the opportunities to speak His Word. I would be able to show love through logistical tasks in the background such as providing rooms.

These are goals that I will strive towards.

- Attend to financial and logistical needs of UTCCF
 - Providing events and locations for continued fellowship
- Support other leaders with setting up technical or logistical things
 - Sharing my skills and experiences to help other ministries plan events
- Caring for and encouraging leaders as they serve
 - Appreciating their hard work
 - Supporting them in service
- Welcoming newcomers and building new experiences to be shared
 - Establishing a welcoming environment
- Making close relations with committee members
 - To be accountable to one another
 - To share in a Main Vision for CCF
