

VitaMin Vision 2019 - 2020

Guershom Kitsa & Terri Tan

There are only three things in this world that make us happy: God, His people, and drugs. Combine those three and you get VitaMin, a ministry that serves to supplement CCF Bible studies.

VitaMin's ultimate goal is to know and to love God more through the reading of His Word. God has called us to be leaders who facilitate discussions that draw us closer to Him and to His people.

Biblical Pursuit

"All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness,"

- 2 Timothy 3:16

The Bible is God's gift to His people. It is the means through which we learn His nature and personality. Therefore we should strive to eagerly learn about God through the Word. By submitting to God and rekindling our passion for Christ, we are transformed and made new.

United Fellowship

"Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble"

1 Peter 3:8

A big hurdle in Bible studies is participation! It's easy to feel self-conscious while sharing ideas and personal stories. This year, we will strive to create an environment where sharing is caring and we can study the word of God in unity and love. We hope to create this environment by inspiring each other to love one another as ourselves (Matthew 22:39).

Implementation

We intend to implement it in these three ways:

Being intentional through **Prayer**.

Staying **Sensitive** to the Holy Spirit.

Being **Present** and invested with each other.

Thus **PSP**!
